### ✦ Short Essay Topics (Choose any one):

- The Impact of AI on Jobs
- Your Dream Company
- Benefits of Remote Internships

### **My Dream Company**

My dream company is **Google**. I have always admired Google for its innovation, technology, and positive work environment. As one of the world's leading tech companies, Google is known for its extraordinary products like Google Search, Gmail, and Android. I am especially inspired by the way Google encourages creativity and values new ideas. Working at Google would give me the opportunity to learn from some of the best minds in the industry and contribute to projects that impact millions of people worldwide.

Another reason I wish to join Google is its employee-friendly culture. The company provides a healthy work-life balance, excellent facilities, and opportunities for personal and professional growth. Google's Ethics matches my own values. I believe that being part of such an environment would help me grow as a professional and make meaningful contributions. Joining Google is not just a career goal but a dream that I am determined to achieve.
